

MANOS DE ESPERANZA

(A Non profit organization)
"WORKING TOGETHER FOR A BETTER FUTURE"

Working Together for a Better Future

Saturday, December 08, 2007

Dear Friends and Family:

We would first like to take the time to wish you a very Merry Christmas and a Happy New Year filled with joy! In addition, **Manos de Esperanza (Hands of Hope in English)** would also like to thank you for all your support and dedication throughout the years. Thanks to your help we have been able to lend a hand to many communities and families in El Salvador, Central America and the United States.

Here are some of our future planned projects for the year 2008, which would not have been possible without your donations.

1. Our 7th annual campaign for notebooks and pencils. Every February, during the beginning of the school year, Manos de Esperanza delivers school supplies to thousands of children. More than 18,000 notebooks have been delivered in different communities in El Salvador.
2. To continue improving the work environment for 12 dedicated women in Guazapa, El Salvador who produce candy in the factory of Santa Isabel.
3. To Reconstruct and improve the rural school of Heleno Castro in Guazapa
4. To distribute academic scholarships to our future leaders attending college/universities. As well as scholarships of excellence to elementary students who lack economic funds. (Students who end up working to continue going to school and go on to excel academically). In addition, scholarships are provided to children from Hospital Bloom, where they continue to study regardless of their health problems.

Manos de Esperanza continues to work hard to make a difference in the lives of people in need. Each and every person we have helped has a reason to hope because great advances are being made. However, continued support is essential to help families affected by poverty every year. You can make an immediate difference in the lives of families just by making a simple donation to **Manos de Esperanza**. Each amount you send provides food, education, and stability to families. I hope we can count on your support! All that needs to be done is fill out the form below and mail to the **Manos de Esperanza** address with your generous donation. Thank you for your time.

Manos de Esperanza is a 501c3 non-profit organization established by the federal government and the state of California, which means your donation, is tax deductible.

With grateful appreciation,

Manos de Esperanza
